

**PLEASE SUPPORT OUR WORK TODAY.
SEND A DONATION RIGHT AWAY.**

June 2010

Welcome to the family of Irish Blue Cross supporters. We thank you for deciding to make a donation, whether it's a one-off amount, or a regular standing order. Your support is essential to our work with small needy pets, and we greatly appreciate your generosity in these challenging economic times.

Every cent you donate is allocated wisely, to help the greatest number of pets that need the care of The Irish Blue Cross veterinary teams. This year, we expect our casework to surge to around 20,000, twice what it was just five years ago. As ever, we promise to extend our small-animal veterinary services to the most needy of pets, whether it's a check-up, vaccination, bloods test, or surgery that's required.

Our work includes not only veterinary-based services but advocacy too. We work alongside other main players in animal welfare in Ireland to encourage change for a brighter future for small animals. We look forward to the much anticipated animal health and welfare legislation and regulations in puppy breeding to ensure a better future for them.

According to government figures, fewer dogs than ever before were destroyed in 2009 through Irish dog pounds. Our neutering programme plays a significant role in reducing the figures. Thanks to your donation, our work in this area will continue.

As you can see, your donation is greatly welcome. We appreciate your support now and into the future. But more importantly, needy pets appreciate it too.

Yours sincerely,

Christina Conneely
